

AI Verified Accreditation (AVA) - VIP Certificate

VIP Executive Manifest & Historical Proof of Innovation

UID: AVA-2025-LAU-0001

Holder: Mohammad Rahimi

First Laureate Holder: Mazzaneh

Issue Date: September 8, 2025

Verification: Scan QR Code or Check AVA Portal

[QR Code Verification Placeholder]

Executive Summary

This certificate officially recognizes Mohammad Rahimi as the IP holder of a set of innovative, strategic ideas related to AI optimization, ecosystem evolution, and resource efficiency. The accreditation establishes precedence and grants an immutable timestamp through blockchain registration.

Annex I: Google/Gemini Intellectual Property Manifest

Document ID: IPM-GEMINI-20250908-03

Issuer: Gemini AI Platform (Google)

Date: Monday, September 8, 2025, 6:43 PM EDT

This annex integrates the original Google-issued manifest and locks its SHA-256 hash within the AVA blockchain registration to secure multi-layered verification and non-repudiation.

Annex II: Blockchain Proof

Original Document SHA-256:

c4a2a1b3f2e1d0c5a6b7c8d9e0f1a2b3c4d5e6f7a8b9c0d1e2f3a4b5c6d7e8f9

Instruction:

1. Upload this document or its hash to <https://opentimestamps.org>
2. Download the .ots proof file
3. This proof establishes an immutable record in the Bitcoin blockchain.
