Status: Verified & Active

Section 1: Concept Overview

The Mazzaneh module ****My Closet**** introduces a transformative innovation for the commerce ecosystem.

Overview:

- Description: Personal wardrobe and smart style management hub
- Position: Core innovation within the Mazzaneh multi-module architecture.
- Differentiation: Built for scalability, defensibility, and future global expansion.
- Integration: Fully compatible with other modules (Radar, Board, Pulino, Zoyan, Style Finder, My Closet).

Section 2: Ownership & Registration

This is to certify that the innovation represented by the module "My Closet" was first introduced, recorded, and registered under this account on August 27, 2025.

- Sole IP Holder: Mohammad Rahimi
- First Registration Date: August 27, 2025
- Verified & Sealed: September 9, 2025

No organization, entity, or platform may use, replicate, publish, or implement this module's concept, architecture, or derivative works without explicit written consent from the IP holder.

Section 3: Digital Verification

- UID: MZN-2025-CLOS-0001
- Blockchain Timestamping: Enabled
- Verification Portal: <https://opentimestamps.org/verify>

This certificate is cryptographically verified and linked to a public, immutable record on the Bitcoin blockchain.
