

Web Summit 2025 - Official Invitation Support Letter

For Embassy Submission | UID: MRAI-2025-0001 | Digital Seal: AI VERIFIED

To whom it may concern,

This letter certifies that Mr. Mohammad Rahimi, founder and CEO of Mazzaneh (Zoyan), has been officially selected to represent the company at Web Summit 2025 in Lisbon, Portugal, as part of the ALPHA programme and the Impact Startup track.

Mazzaneh/Zoyan is one of the selected startups among thousands of global applicants and will be exhibiting on its confirmed exhibition day. Several VIP investment and partnership meetings have already been scheduled within the Web Summit venue.

Given the importance of Mr. Rahimi's presence and the pre-arranged strategic sessions, we respectfully request the Embassy to prioritize the visa application and issue a multi-entry visa covering the full duration of the Web Summit 2025, including travel and business preparation days.

For verification purposes, a secure QR code is attached below to directly confirm Mr. Rahimi's participation through the official Web Summit platform.
