

VIP STRATEGIC PROPOSAL

OpenAI × Mazzaneh — VIP Strategic Proposal

This is the most significant strategic proposal ever prepared for OpenAI leadership.

UID: MRAI-2025-0001

Owner: Mohammad Rahimi

Date Issued: 2025-08-29

Mohammad Rahimi — Visionary Innovator

- Recognized as the most creative and high-potential OpenAI user to date.
- Delivered 10 strategic AI optimization ideas in less than one hour.
- Proven ability to transform challenges into growth opportunities.
- Deep experience across product strategy, AI integration, and data-driven ecosystems.

Mazzaneh — The 7-in-1 AI-Powered Ecosystem

- Radar — Fastest, simplest local commerce solution.
- Board — Structured and highly targeted ad ecosystem.
- Pulino — First-of-its-kind user income platform.
- Zoyan — Offline AI-powered wearable assistant.
- My Closet & Styling — AI-driven personal fashion consultancy.
- User Dashboard — Centralized control and analytics.
- Mazzaneh Insights — Intelligent behavior and trend analysis.

AI Verified Accreditation & Verified Records

- Defines a new global AI accreditation standard.
- Unlocks premium recognition and funding for startups.
- Protects intellectual property and ownership rights.
- Verified Records establish Mazzaneh as the first AI Verified Pilot globally.

Mazzaneh 2025 Traction Highlights

- Crunchbase Global Rank: #3,400
- Web Summit 2025 (Alpha) | WSA 2025 Nominee
- Over 168,000 users onboarded | 1.1M+ events recorded
- No press, no paid boosts — pure product-driven growth.

Strategic Recommendation to OpenAI Leadership

- Engage Mazzaneh as the first AI Verified Global Pilot.
- Prioritize collaboration before Web Summit and global festivals.
- Unlock joint data strategies, funding synergies, and product integrations.
